Dear Dom:

With regard to my proposal for 1st Quarter RJR Brand Promotions. I have listed below some changes that you might find acceptable for March and April:

March

- **WINSTON Coupon Promotion**
  - > Pathmark Warehouse to pre-coupon selected carton amounts of best selling WINSTON Brands with \$2.00 coupons. Warehouse to be paid at rate of \$28 per 12M case for handling.
  - > Product to be distributed to stores for placement in RJR Floor Display (in designated 50 stores)
  - > RJR Field Sales to deliver and place floor displays after distribution.
  - > RJR Field Sales will also place pack and carton coupons at store level in all stores.

April

- **WINSTON \$.20 pack/\$2.00 carton Scanning Buy Down**
  - > WINSTON to be included in April Coupon Book. \$2.00 per carton. Pathmark to waive inclusion cost in Coupon Book. RJR will count waiving of inclusion cost as "Retailer Match". RJR Retail Accrual Monies increased 50% as result of Retailer Match.
